

Glyndon, Minn.

March 4, 1934

Dear Ruth

I bet you would never have written to me if you knew you would have to wait so long for an answer, I believe it's just as soon drive a hundred miles as to write a letter so you'll have to excuse me, won't you?

Well are you having a good time playing wood chuck? Well have a good time but don't forget to come back because I think Willy's is getting lonesome and someone else to.

Say do you realise it's only eleven more days until I plan on leaving? guess I don't realise it myself well I had an offer for a job already

so it don't look so bad maybe  
I will be able to make a go  
of it after all.

We were out to Richards for L.L.  
friday night the roads were just fine  
I only got stuck four or five times  
we had a pretty good program except  
for a solo song by yours truly  
all together we had a pretty good time  
and a real good lunch

well Alice and Carl are up here  
already between spuds and there  
were been plenty busy I hauled a  
load of furniture for them a  
week ago Saturday and did I have  
a sweet time the old truck must  
of had it in for me it only  
took me five hours and twenty five  
minutes to get home I was about  
as cold as I ever want to get  
and all on account of a couple  
of drunk fellows I tried to help  
out of the ditch guess I want

be so accomidating next time.  
Oh well they were pretty good  
any way they stayed by until  
I got going again

I guess Mrs. Andrews is not  
so well, she tried to teach again  
last week but I guess her nerves  
got the best of her so she resigned  
and went back to the hospital  
wonder what kind of a  
school marm they will get  
now I wish I was on the school  
board It pick out a swell one  
and maybe I wouldn't leave  
~~this spring~~ I don't like I'm not  
satisfied dough nut!

Say if I'm not mistaken  
your gonna be eighteen years  
old in a couple of days, I'll  
bet you'll feel mighty independent  
wont you, dont suppose a  
fellow like me will be able

To talk to you any more.  
oh well you'll get over it like  
the rest of us.

If Ted Savers don't go up there  
before next Sunday would  
you come back with me if  
I ~~drive up~~ if they don't come  
and its O.K with you let me  
know where and how I can  
meet you.

So long and see you later  
Love Norm.

P.S. I don't know just where to send  
this but I hope you'll get it anyway
